

Winter Weekend Scholarship Application

Mount Bethel Church

Purpose:

Youth Ministry events at Mount Bethel Church are designed to be inclusive. There are occasions when events carry a significant cost and financial assistance can be helpful. Our desire is that all youth have the opportunity to participate fully and lack of funds should not be a determining factor for engaging in opportunities, such as Winter Weekend. The availability of scholarship money exists through private donations, budget money and money raised through fundraising.

Mount Bethel Church, as a church body, cares for the youth of their congregation and community and feels it is important for them to experience events like Winter Weekend. This scholarship is a representation of their love and commitment to young people encountering the Gospel of Jesus Christ.

Eligibility:

The only criterion for receiving a scholarship is an expressed interest or need in receiving aid to attend Winter Weekend. Youth Group participation and attendance have no bearing on the eligibility for a scholarship.

All information provided remains confidential. At registration, the scholarship will be reflected in your child's balance due for the weekend, at which point, any remaining balance may be paid.

Application may be returned to Andrew or mailed to:
